

Sign up to attend Lobby of Parliament Wednesday Feb 8

Tenants, trade unionists and councillors from across the UK will be coming to London to lobby MPs and take part in a mass rally calling for direct investment in council housing as an alternative to privatisation.

Help make sure that tenants from as many estates as possible are represented. We will be:

- Holding a photo shoot for the press on Parliament Square at 11.30am (bring posters/placards with your estate's name on it)
- Attending the rally and workshops from 12 noon and
- Meeting our MPs after 3.30pm

Please commit to taking part - book time off work/arrange childcare and organise transport to make sure you will be there.

I will be there on Feb 8!
