

# Camden Defend Council Housing

Camden Council has promised tenants a ballot in November on whether we want our homes to be managed by a new **ALMO (Arms Length Management Organisation)** private company. Many tenants believe this is two-stage privatisation of council housing.

Now the council are setting up a Shadow Board of directors—before there has been a fair and balanced debate and tenants have voted on whether we even want an ALMO.

**This is not democracy!** Don't give the Shadow Board credibility—put 'NO to ALMOs' on the Shadow Board election ballot paper.
